*'There are no strangers at the Tavern,
just friends we have yet to meet'*

Newsletter October 2016

Well Autumn is well and truly with us now and the weather continues to treat us to a late summer, all be it interspersed with the odd bout of rain, but we shouldn't moan should we.

As I sit here writing this newsletter I am thinking of the previous 10 years of life in the Tavern and all that has happened in the 120 months that has brought us to this point. The many brilliant entertainers who have played here, and the not so brilliant, the many members of staff, who in the main have been brilliant, but one or two who have not been up to the usual standard!

All the people who have helped us on the way, of which there have been many, and the odd ones who have done all they can to see us fail, but again they are definitely in a minority.

But most of all I think about all the money we have raised for the many different charities we have supported, Cancer Research, Macmillan, The Air ambulance, The Royal Marines, Guide Dogs, Adams Hoofing Hut, The Stroke Unit at Bournemouth Hospital, and Help for Heroes as well as all the good causes who have benefited from the Tavern charity account which has seen many thousands of pounds pass through it over the years. It has been a pleasure to support them all in some way.

And all of this is down to you, our wonderful band of friends that visit us regularly and help in any way you can – thank you.

Make sure you all come along to our party on the 14th October to celebrate this wonderful achievement and have a beer or two....of three!!!

Entertainment for October

Tuesday 4th 8.30pm	Jive	Jive is back, come and join us to get you ready for Christmas
