Newsletter August 2016

Hello

Well summer is well and truly here and we have been basking in the glorious sunshine, and long evenings, everyone has been taking advantage of the beautiful weather by having a drink in the garden with friends, perfect!

The highlight of July was the **Family Fun Day** in aid of the **Wiltshire Air Ambulance**.

The whole event was organised by our very own Lucie who put in hours of preparation but it paid off with a total of £1400 being raised to date, that's a fabulous result for everyone concerned. Look out for more details of the presentation.

Entertainment for July was exceptional with Ray Foster and the Soul Classics who put on a great show proving they are one of the best bands to appear at the Tavern. Modtown made their Tavern debut and what a debut it was; they really blew the old place apart and have been nominated as Act of the Year already!

August brings our first ever **Classic Car and Bike show**, which will be a great event lasting all day and well into the evening.

August Bank holiday we have a another music festival lined up for you with J.J.Newman starting off the festivities on the Friday night, and culminating on the Sunday with the brilliant Matt Black and his piano.
