Newsletter December 2016

Hi everyone, winter is most definitely here, and as I sit writing this newsletter a thick frost has appeared overnight and everything is crisp and white, but I am snug and warm next to the log fire.

It doesn't seem possible that another twelve months have flown by and we are thinking about Christmas Day and the New Year!!!

First things first Mandy and I would like to wish you all a wonderful Christmas and a brilliant New Year, wherever you are be safe and be happy.

We are very fortunate to have such wonderful staff, many have come and gone over the years and I would like to thank all of them for all they have done for us, we could not manage without you.

There is one person who has been with us right from the start, she is reliable, trustworthy, funny and caring, Lucie is as much a part of the Tavern as anyone and we all think the world of her, thank you Lucie.
